

June 7, 2022

NOTICE

On May 24, 2022, the Board of Directors approved a policy regarding the storing of boats at the Association Park. The policy is attached for community review.

Any boats not tagged with the 2022 decal will be subject to removal after June 30, 2022.

There are a handful of boat owners that still have not registered their boat for 2022. Please address this requirement before June 30th.

Thank you

Heather Lake Estates HOA
